MUG News and Updates. (a.k.a.-VPWhatsUpdate)

Hello fellow MUG members. It's been quite awhile since the board has communicated to the members at large. We have been meeting monthly and there are several items that we'd like to share with you.

First off the dates the Fall MUG Meeting have been set. Mark your calendars for October 19th and 20th.
(See below for more info).

There's been some changes at EFI. Our past liaison, Andy Booth, has left EFI. Kevin Cazabon is the new liaison and has been working with the MUG board since Andy's departure.
There have been two other departures, Product Manager Jay Katzenberger, and for those members with custom programming, Andrea Sommers. We wish them all well in their new endeavors!

The enhancement committees were busy this past spring getting the updated lists reviewed, ranked and submitted to EFI. Diane Kujawa who had taken on the Director of Enhancements (DOE) role, helped coordinate this effort for the first 6 months. Unfortunately Diane has recently resigned from this position. Judi Hansen (Our previous DOE) has volunteered to step in as our interim DOE. We will be looking to vote in a new DOE at Connect 2017. The VP and Secretary positions will also need to be filled.
If you have any interest please [contact us](#).

Last but not least...
EFI is offering a group discount for MUG members planning to attend Connect 2017.
The discount code is located in the members only area of the [MUG Forum](#).
