

# PRESWHAT'SUPDATE

Hello MUG Members!

Happy Cinco de Mayo! Hard to believe its May already! The board continues to meet monthly and we have made good progress planning for the Fall Meeting. The dates are set for October 25th and 26th. We also did some shopping for venues and have decided on the [Doubletree](#) by Hilton in Bloomington. For the local folks this is the old Radisson South. The room rates are down to \$149 a night this year and the conference space will be much roomier. The agenda is still being worked on but we are planning for a full day on Wednesday with a cocktail reception and diner that evening. Thursday will start at 8:00 AM with the conference ending at noon. If you have any suggestions for meeting topics please [email](#) me.

Kevin Cazabon, our EFI / MUG liaison, has also decided to pursue a career change. Kevin has been a great asset to the MUG board and will be missed. We wish him all the best in his new venture!

## MUG Enhancement Committee Updates

The 2017 MUG Enhancement Committees are having their final meetings for this year and have begun to turn in the Ranked Enhancements! We really appreciate all the time and effort they have taken to do this. We have had some members who had to come off committees because they have moved on from their company or do not have the time to commit. So we are looking for **NEW MEMBERS** who would like to participate next year! Presently we have openings on the Inventory/Purchasing Committee, Job Management Committee, Planner Committee and PrintStream Integrated to Monarch Committee. Our goal is to have 7 members on each of the committees. Please send your name to [DOE@monarchuser.com](mailto:DOE@monarchuser.com) if you are interested in serving! It is a great opportunity to network and learn from your printing industry peers!!
