

PRESWHAT'SUPDATE

Hello fellow MUG Members!

I hope things are going well for you since the last Pres WhatsUpdate was sent out. There are just a few things that I wanted to pass along to you to keep you in the loop.

Webinars

First, I want to thank Susan Dabbs, our MUG Vice-President, for all of her hard work in getting the 2018 MUG Webinars all lined up and organized with EFI. Her hard work on that is greatly appreciated.

Here are the currently scheduled webinars for 2018 and who the EFI presenter is scheduled to be (in parenthesis) starting with the March 16th webinar coming up next week:

3/16 - Efficient Purchasing (Kay Harrell)

4/20 - Monarch Security Best Practices and Controls (Kay Harrell)

5/18 - 6.0 Enhancements Demo (Michael Henderson)

6/15 - iQuote/iPlan demo w/ Integration to Foundation (Danillo Pacheco)

7/20 - Upgrading - What is expected of Customer and of EFI (Mark Merickle / Don Halloff)

8/17 - Productivity Workbench (Michael Henderson)

9/21 - Printstream and Monarch Fulfillment (Gina Stoppelmoor)

Oct - Fall MUG Meeting in Minneapolis - no webinar

11/16 - 6.1 Enhancements Demo (Michael Henderson)

12/21 - New and Improved Form Designer (Howard White / Michael Henderson)

Last year, EFI gave us the ability to register for multiple webinars at once making it much easier for us. They did this again and you can do this registration easily for the entire year of webinars by clicking on this link (or copy and paste it into your browser):

use the checkbox in the header area to select all of them at once, then click the Register button, fill out your information and click Submit. You will then get an email for each webinar that you registered for and can use that to get it into your calendar tool.

If you have thoughts, requests or ideas on future webinar topics, please let Susan know at vicepresident@monarchuser.com

WE NEED YOUR HELP!

If you are someone that likes to assist with coordinating events of any kind, we would love to have your help with the 2018 Fall MUG Meeting in October. Please let us know if you have any interest in helping out with this.
